Attikon Alsos

Date	Budget (€)	Employer
2007-2008	8,925,000.00	GIGERTON SA
	Owner	Place
	Athens-Piraeus Unified Prefecture	Athens

The key goal of the project is to redevelop within Attikon Alsos the growth of forest vegetation, trees' forestry green, and create facilities appropriate for sports, educational, and cultural activities. The intervention area was 180 acres.

The project from the structural point of view refers to the rehabilitation of the open air theatre, with new sheds and support structures, the construction of retaining walls for prevention of rock falls, the upgrade of all entrances and sport facilities and the upgrade of the fire fighting system (new tanks and pump houses).
