Extention of Kimis Av. for N.R.1 to Olympic Village

Zeit-Studie	Budget (€)	Arbeitgeber
2001	3,000,000.00	DOMI O.E.
	Besitzer	Position
	Ministry of Environment	Κηφισιά

Structural roadworks for the connection road between Olympic Village 2004 and National Road 1.

We designed the overpasses of the crossing local roads Thivaidos, Monomatiou, Tatoiou, Menexedon and the overpass for the crossing of the High Speed Railway Line Athens-Thessaloniki. All the overpasses are constructed with cover and cut method. Especially the Train Overpass is post-stressed.
