Attiki Odos Exit 1

Zeit-Studie	**Budget (€)**	**Arbeitgeber**
1999	2,500,000.00	DOMI O.E.
	Besitzer	**Position**
	Minsitry of Environment	Mandra

3 underpass bridges of the Old National Road Elefsina-Thiva under the Attiki Odos highway.

All bridges are single span, the first and third of which carry the Attiki odos rodway and the middle one the Suburban Railway line. The clear span between piers is 25.00 m. In section. all bridges are slabs with rectangular holes and they are post-stressed.
